

UNITED STATES BANKRUPTCY COURT  
NORTHERN DISTRICT OF TEXAS  
OFFICE OF THE CLERK

---

February 4, 2005

CLERK'S NOTICE

**Elimination of Redundant Paper Noticing**

The implementation of CM/ECF gives the Clerk's Office the ability to provide registered e-filers with electronic notice through e-mail. The additional notice provided in paper through the Bankruptcy Noticing Center ("BNC") is redundant and has become burdensome to most registered e-filing attorneys.

In response, the Judiciary has approved the "Reduced Paper Module" (RPM). Effective March 1, 2004, duplicate paper noticing by the Clerk's Office will be discontinued, except for the *Notice of the First Meeting of Creditors*. The *Notice of First Meeting of Creditors* will continue to be sent by the BNC through the mail, as well as by e-mail, as this notice provides parties with the debtor(s)' complete social security number.

Parties wishing to continue to receive redundant paper notices through the BNC should make their request in writing to the Clerk of Court.

**Electronic Transmission of Filed Claims to Trustees**

In accordance with General Order 2003-03, the court is issuing notice that it has implemented an electronic method to transmit all filed claims to the United States Trustee and the Standing Chapter 13 Trustees.
